Comments

(Set forth by above question #, if applicable, Use "Additional Comments" Sheet, if needed)

I. It cannot be determined fr	om the notes if the tests were performed in a scientifi	cally acceptable manner.
•		·
2. The results are not adequa	itely documented in the notes. The notes are not dated	L, are in pencil instead of in
nd use abbreviations difficult	t to interpret. The technician did not document the rec	covery of hair from the
vidence. The examiner did n	ot document the full range of microscopic characteris	tics of the suspect's and
ictim's known hair as he nor	mally does.
